Martha M. Ezzard

November 12

Dear Deane,

I've meant to write
before now to thank you for
your gracious assistance with
seating for the IIE foreign
visitors at the CACI lunch.
As I exit the political
stage — gracefully I hope

- having stood always with
truth for the things I
believe are right for our
future — you are
one of the business leaders
I shall always admire.

Thanks you for your
support in the past.

- Martin
