The screenshot shows a web browser window titled "Patient List" with the URL "https://toothfairy.dk/patientlist". An "Import" dialog box is open, displaying a file selection interface. The dialog's address bar shows "My Documents > Files". On the left, a sidebar lists folders: "My Docume", "Folder", "Folder", "My Mu", "My Pictur", and "Deskt". A table in the center lists the contents of the selected folder:

Name	Status	Date Modified	Type
Folder	✓	1/1/2021 8:0	Folder
Folder	✓	1/1/2021 8:0	Folder
File 1	✓	1/1/2021 8:0	Folder

At the bottom of the dialog, there is a "File Name:" field containing "Some File Name" and two buttons: "Import" and "Cancel".
